

Welcome to our Awaken Education certified instructor community!

This is a community of masterful instructors who are knowledgeable, passionate and creating big change and impact in the fitness world.

In order to maintain your title as an Awaken Education Certified Instructor you must continue learning, growing, and connecting through taking 6 hours of continuing education credits through Awaken Education each year.

As a member of the Awaken Education Certified Instructor Network you are part of an elite group of certified fitness professionals. Along with your highly respected education, we believe support is the backbone of a successful career in the fitness world.
